## 2020 Intermediate Instructional/ Playing Clinic

### Description

Mystic Creek’s two-day Intermediate Instructional/Playing Clinic, open to players ages 13 to 18, meets Wednesday and Thursday—July 22-23, 1-3:30 p.m.—and is limited to eight participants.

The purpose of the clinic is to further advance playing ability and skills. Golfers will learn to make better judgments and decisions. We will be focusing on routines and common, but difficult, on-course situations players encounter. Topics addressed will include proper range play, chipping/bunker practice, course markings, rules of golf, developing confident routines and playing golf.

Instructors will assist mainly with the playing aspects of the game, though marginal technique instruction will be offered for those in need. Participants should arrive 10 minutes prior to the scheduled instruction time. They will be expected to follow guidelines for safety and be courteous of other participants.

### Equipment Needed:

Players will need to bring their own bag, clubs, balls and tees. Golf shoes or tennis shoes only; no cleats, please. For the safety of all participants, golfers should not swing their clubs until the instructors have given approval.
